

## Ushers February '19 thru January '20

Thank you for volunteering to assist our Worship services. Forty-four individuals or families have volunteered to usher, making eleven four-person teams. Most teams will serve e four times, two will serve five times during this schedule.

### **Please observe the following:**

1. This schedule is arbitrarily set.
2. **Honoring requests for work schedules, travel plans, meditating on the golf course, etc, accounts for schedule imbalance. We thank them all for volunteering.**
3. If you find you are not be able to serve as an usher on your assigned date, it will be your responsibility to find a replacement, switching with another usher.
4. When such changes are made, please contact the church office so that it can be noted in the bulletin.
5. This schedule is arranged in such a way as not to conflict with other schedules.
6. Every effort is made to avoid having the same persons serve from year to year on holidays.
7. A description of ushers duties & responsibilities is available in the church office.

Again, thank you,

CLC Worship Committee

**As may happen from time to time, through no fault of anyone, there may be short notice, or, no notice, that causes a team to need a hand. Also, for services where no ushers are assigned, it may be necessary to offer some assistance. In either case, thanks in advance for the help offered.**
