ROCK Ministries

In case you haven't heard, we are launching a new midweek youth ministry this September. We have titled it "ROCK" (Reaching Out to Christ's Kids) to replace Sunday school. All youth ministry, from 4K-8th grade, will now take place Wednesday evenings at CLC. Our hope is to offer a meal each week as part of this program which isn't just for the kids, it's for all families. All are welcome including people in our congregation and others in the RV community. This could really be a wonderful ministry if we can make a go of it! We need to get families reconnected to our CLC family and hopefully bring some new families in. We hope this can be one way to make that happen. Of course to start, it will most likely be small, but it will hopefully grow as time goes on. **In order to make this new program a success we need the help and support of our congregation!!**

PLEASE prayerfully consider helping be a part of this new program!

Below are a couple ways we could use your help:

- Teachers and helpers so we are able to run classrooms for the kids. High school kids would be great for this!!
- Someone, or a few people, to step up to the plate and make this weekly meal happen. If you would be willing to hear more and possibly consider it, let us know. Melissa has a wealth of information to get us started from another church who began a midweek ministry with a meal a number of years back now. It could be a different set of people each week on a rotating schedule or one point person who coordinates most things but recruits other volunteers as needed. Someone, or a few to grab hold and take charge. Please contact Melissa to learn more.
- Prayers and support as we try something new.

Worship will continue to start at 10:00am.
