Matthew 25 Pakistan Flood Appeal

Earlier this year, we held an appeal for the people of Ukraine, and you responded. Working through Lutheran World Relief we were able to get \$6,300 safely where we and you intended our donations to go. **Thank you!** Now, the people of Pakistan are on our minds because of the emergent and urgent needs related to catastrophic monsoons and flooding. Matthew 25 has committed up to \$1,000 of its funds for the people of Pakistan and will be working with Care International, a group that prioritizes the needs of women and girls, and families, and has aid conduits already in place in Pakistan. We will match \$1 for every \$2 that is donated through the end of October. Please see the October Trumpet or bulletin board in the narthex for more information. **Will you help take up the challenge?**
